

# Brand New Release From Super Soulful Singer Geri Beri

**Geri Beri** has earned her music strips on the dance floor and in the hearts of her listeners. The soulful singing Bulgarian small town girl has been stage performing since high school, and has not missed a beat since then, she has played in over 30 countries in 6 different languages, she performed on cruise liners, clubs and bars, to earn an audience.

She is now a well known act in Bulgaria and desires through this first EP release, to make a name for herself in the USA. This her first official release "Ancient Sunset", is filled with diverse tracks, from jazzy soul to dance pop, with a sprinkle of r&b soul, with each song uniquely crafted and rich with astounding lyrics.

It's no surprise that Geri has joined in song on a few collaboration efforts on this EP with The Touch, the tracks are heart throb rhythm grooves, with the sultry vocals of Geri mixed in. Geri Beri, possesses a very unique voice, she sings with the sultry skills of Tina Marie when needed and like a club land diva when the track demands it. Geri has vocal range and depth, coupled with her stage performing experience, piano playing musical skills, and the few bands she partners with, she stands as one of top performing artists out of Bulgaria.

**"There are few artist in the industry that are born with really great vocals, and even fewer that earn the knowledge and experience from stage and studio work that it takes to become a brand, Geri Beri is one of those chosen few."** - PLG Music Group

**"Ancient Sunset"** will be serviced to over 400 commercial and non commercial radio outlets, including College and Satellite stations.

Geri Beri's music will be placed among Touch Records vast **Synch Licensing pool** partnerships sites, Worldwide.

Touch Records will be providing a **digital release campaign**, to over 750 download, and streaming sites.
